

Field Operations Division Report

Libertarian Party of Illinois

February 15, 2021 – Board of Directors Meeting

A. Field Ops Director Les Deffner - as weather improves, our team will find more ways to become more active.

B. Field Ops Deputy Director Blake Hanson - No report

C. Membership Director Kevin Mahoney - No report

D. Volunteer Director Lorraine DeNardis-Albert – No report

D. Chapter Development Director – I have spent some time to call both the newest chapter, Winnebago County and they report they have seen a downturn in members meeting attendance. The same scenario has occurred with Chapters in Lake County, as well as Stateline Libertarians. Holidays and weather have been the primary drivers of this. Cook County and McHenry County have been very active in getting their candidates out for signatures. A political club of Stevenson High School in Libertyville asked Lake County LP to participate. Newly relocated Alexa Maffei and veteran party member Bob Schlereth represented the party. They report that a lot of teens were interested. It was only an 1.5hr event. Chicago Chapter held a rally for Ballot Access Reform.

Les will continue to perform Chapter Development duties until the role is filled.

E. Activism Director – Keith Zelinske has tendered his resignation.

F. Campus Outreach Director Elizabeth Arnold – No report.

G. Division Meeting - none scheduled.

I. Asking all chapter chairs to inform their members of the (3) slots needed filled:

- Chapter Development Director
- Deputy Chapter Development Director
- Activism Director

Respectfully Submitted by Les Deffner to the LPIL Board of Directors
