Chase Renwick

Chair, Libertarian Party of Illinois

Dear Mr. Renwick,

With much regret, I offer my resignation as Secretary of the Libertarian Party of Illinois. With a recent promotion and associated traveling, I'm unable to faithfully perform my duties with the adequate attention it deserves; attend meetings; and generally put in the work that is required for the role.

I will remain a PC and work towards what I can in my community. I was greatly heartened and honestly quite surprised at the polling results for our governor candidate, Scott Schluter. I hope that bodes well for liberty in our state and will do what I can to help.

Sincerely,

Brett Ryan
