Additional General Discussion

Ken Wiley mentioned that the bylaws say that the states send the delegate list to the national Secretary and therefore aren't required to upload their own delegates into a credentials system. He asked how to respond to that question. What was determined is that the bylaws may require that, but there can be additional requirements by the credentials committee, therefore just answer with that.

Ken Moellman said that after the meeting he would add convention dates to the shared spreadsheet and onboard the new Texas members of the committee.

Adjournment

Jessica Tewksberry and Chance Hayward simultaneously moved to adjourn with no objections.

The meeting was adjourned at 9:47 pm EST
