Chair Report – reported that national is in the system and they can access and update records.

Vice Chair Report – none

Secretary – none

Approval of Minutes

The Secretary provided the April 6, 2026, meeting minutes prior to the meeting via email.

Motion: Susan moved to approve the minutes.

The motion passed with no objections.

Unfinished business – The chair is updating the list of states in the system and the states that haven't logged in at all.

Ken Willey asked about states that have conventions after the deadline. The Chair stated they needed to add one delegate prior to the deadline.

Susan Hogarth talked about voting placards. The graphic has been updated. The cost in 2022 was around \$800. Ken will take the quote to the LNC chair and vice chair to see if it can be paid for, or if we need to fundraise. It will be about \$1000. The question was asked if we would also need badges (or buttons).

New Business – Maryland put in delegates with everyone having the same address. When asked, the chair said that they said they all agreed that there would only be one address and they would give the information to each delegate. Susan has said that it's against the bylaws.

Suggestion on language that we need to have an address of record of each delegate, and at least one in the next one prior to the deadline.

It was agreed that we would let them know they needed to have addresses for each delegate.

Additional Business – None

Adjournment

Jessica Tewksbury moved to adjourn with no objections.

The meeting was adjourned at 10:53 pm EDT
